THE MORE WE GET TOGETHER

American Sign Language

"I Love You"

At Sing a Song we love exposing children to new things: new animals, new types of music, new instruments, and new languages.

"The More We Get Together," is a preschool favorite. The familiarity of the song often gets children (and their teachers) singing along, right away - we LOVE that! But, your Sing a Song teacher brings the bonus activity of adding American Sign Language (ASL) to this song.

For older children, this might lead to later class discussions about what it means to be deaf or hearing impaired.

For our younger students, exploring how to communicate is something their brains are dealing with all the time.

Even babies can sign! (Google it!)

THE MORE WE GET TOGETHER

The more we get together,
Together, together,
The more we get together,
the happier we'll be.

For your friends are my friends,
And my friends are your friends.
The more we get together,
the happier we'll be.

"HAPPY"

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
