Weekly Lesson

January 15 - 19, 2018

WHAT'S THE WEATHER TODAY?

This week, we look outside and ask, "What's the Weather Today?"

Is it snowing? Is it windy? Is it cold? (Yes!)
Most importantly - can we go outside to play?

An important part of a child's cognitive development is comprehending and understanding the world around them. This week's song invites the children to take a look out the window, and be surprised!

WHAT'S THE WEATHER TODAY?

CHORUS

What's the weather today?
What's the weather today?
Let's look outside and be surprised;
Can we go out to play?

Is the sun shining bright?
Or is rain falling down?
Do we hear a thunder clap?
Is it still, without a sound?

CHORUS

Are there clouds rolling by?
Or snowflakes whirling round?
Is the wind whooshing past?
Is there frost on the ground?

CHORUS

Is it hot, or is it cold?
Is it somewhere in between?
Tell me -
What is the weather?

Oh, what is the weather?
What is the weather, today?

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
