Weekly Lesson

June 4 - 8, 2018

## WHAT'S THE OPPOSITE?

Every day has its little ups and downs. So let's make them fun, no matter what!

This week it's all about opposites. "What's the Opposite?" is bouncy, big movement song. Students reinforce their understanding of opposites using their bodies and their voices. This holistic way of learning is the way our very young students learn best; their brains are wired that way. There is so much learning happening in these developmental years, they need to use every sense, and every muscle to soak up all that knowledge!

Sing a Song student at Peppermint Tree

### WHAT'S THE OPPOSITE?

#### CHORUS

Learning opposites is fun to do,  
Especially in a song that I sing with you.  
Learning opposites is fun to do,  
Singing a song with you!

What's the opposite of up?  
It's down, down, down.

What's the opposite of short?  
It's long, long, long.

What's the opposite of soft?  
It's loud, loud, loud.

What's the opposite of fast?  
It's slow, slow, slow.

CHORUS

What's the opposite of dark?  
It's light, light, light.  
What's the opposite of open?  
It's closed, closed, closed.  
What's the opposite of hot?  
It's cold, cold, cold.  
What's the opposite of big?  
It's small, small, small.

CHORUS

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
