ALL THE COLORS (DE COLORES)

This week (with hopes of seeing the colors of an early spring) we celebrate "All The Colors." This featured song, infuses Spanish language learning in a fun and engaging way.

Sing a Song teachers use bright pictures to reinforce the identification of the colors in this song. The first verse uses English for the colors, while the second features Spanish.

Celebrate the colors of life!

ALL THE COLORS (DE COLORES)

Yellow the sun, that rises each day,
Green is the grass in the park where we play.
Red are the roses that grow from the ground.
Blue is the sky that we see all around.

CHORUS

The colors, *de colores*, we see everywhere.
The colors, *de colores*, in here and out there.
The colors of crayons we hold in our hands.
The colors of people in all different lands.

Amarillo the sun, that rises each day,
Verde the grass in the park where we play.
Rojo the roses that grow from the ground.
Azul is the sky that we see all around.

REPEAT CHORUS

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
