CAN YOU PAINT IT?

This week's featured song, "Can You Paint It?" is a bit different than most of our other songs. It is one of those rare children's songs, that is set in a minor key. This gives the song its somewhat haunting, melodic quality. We love exposing our young students to different tonalities, and this song does the trick.

We can sit in a circle, and use our hands and fingers to paint our pictures in the air. Or, we can grab our scarves and use our whole bodies to paint! Fine motor skills, gross motor skills - this song has it all!
