DRIVING, DRIVING

Let's go for a drive!

We finish up the month with one of our most beloved, and requested Sing a Song originals. "Driving, Driving" is a fast, fun, and imaginative song that puts the child in the driver's seat, and they adore Vrooming and Zooming - and best of all - SCREECHING to a STOP!

Mimicking adult behavior is a child's primary method of social learning. So, don't forget, when that other driver cuts you off, your child will be listening to every word you say about them!

DRIVING, DRIVING

CHORUS

I love driving, driving, driving,
In my car, car, car.
Driving, driving, driving,
In my car, car, car.
Vroom, vroom, vroom,
I travel near and far.
I love driving, driving, driving,
In my car, car, car.
Red light means "stop."
Green light means "go."
This is what ev-e-ry driver must know.

Sing a Song student at
Peppermint Tree School

Red light means "stop."
Green light means "go."
Zoom, zoom, zoom, I can go!

Where shall we drive today?
Let's say, the zoo.
We'll see the alligators,
Me and you.
Where shall we drive today?
Let's say, the park,
As long as we're home before dark!

CHORUS

Where shall we drive today?
Let's say, the mall.
We'll ride the escalators,
Big and tall.
Where shall we drive today?
Let's say, the store.
We'll buy some ice cream, and more!

CHORUS

(It's always fun to make up new verses!)

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
