IN THE EGG & JUST HATCHED

"In The Egg," is finger chant, encouraging our Sing a Song students' fine motor engagement, as they create "eggs" and "baby chicks" with their hands. We love listening for that pecking sound, then breaking through that shell, and flapping our wings - our fingers fly so high!

"Just Hatched," is sung to the ever popular tune of "I'm A Little Teapot." For this song, we can use our whole bodies to become the chick ourselves! Watch us break out of our shells!

IN THE EGG

In this little egg,
A tiny baby sleeps.
It lies so very still,
It doesn't make a peep.
But one day very soon,
A pecking sound you'll hear,
And right before your eyes,
A baby chick appears!
(Repeat, using "bird" and "duck")

JUST HATCHED
(Tune: "I'm a Little Teapot")

I'm a little chick, inside an egg,
I'm often sleeping, curled on my legs.
Soon you'll hear a pecking, pecking sound.
The egg will crack, and I'll come out -
Cheep, cheep, cheep!!
(Repeat, using "duck" and "bird"
Don't forget to quack and tweet!)

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
