Weekly Lesson

April 15 - 19, 2019

UNO, DOS, TRES

This week, we infuse Spanish language learning, numeric values, AND fine motor skills. That makes "Uno, Dos, Tres" a triple threat!

We start by counting all of our fingers in Spanish. We love "poofing" our fingers, behind our backs (where did they go?). We bring them back again, and count (this time in English) flowers, or our friends, or maybe puppy dogs, or toy blocks, or little toes...

There are so many things to count!!

UNO, DOS, TRES

CHORUS

Uno, dos, tres,
Cuatro, cinco, seis,
Siete, ocho, nueve, diez.

This is how we count to ten in Spanish.
Show me all your fingers -
Poof! They vanish.

Bring them back in front, you see,
Sing another song with me.

One little, two little, three little flowers.
Four little, five little, six little flowers.
Seven little, eight little, nine little flowers.
Ten little flowers, growing in the sun.
CHORUS

One little, two little, three little children.
Four little, five little, six little children.
Seven little, eight little, nine little children.
Ten little children, singing songs with me!

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
