## CATCH THE BEAT

Music makes learning music fun!

"Catch the Beat" is a *catchy* little rhyme that has a sneaky way of teaching children about musical notes. Your Sing a Song teachers use big, bright visual aids, rhythmic word chants, and age appropriate rhythm instruments to teach children the FUNdamentals of musical notation. The introduction of counting and mathematics is an extra, added bonus!

### CATCH THE BEAT

Ta, ta, ta, ta,  
Is how we say the quarter.  
Ti, ti, ti, ti, ti, ti, ti,  
Eighth note is much shorter.  
Tika, tika, tika, tika, tika, tika, tika, tika,  
Sixteenth note is so fast!  
Whole ----- note-----,  
Four quarter notes have passed.  
Catch the beat!

Sing a Song student at  
Zadie's Nurturing Den

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
