## SEE THE LITTLE SEED

This week we celebrate all the wonderful growing things around us - we're growing too! "See the Little Seed" is a springtime favorite with our students. They love "planting" their little seeds. But, best of all, they love growing and growing, and swaying and swaying - and STOPPING!

This delightful, seasonal song reinforces both fine and gross motor skills in an engaging and FUN way.

### SEE THE LITTLE SEED

See the little seed, in the ground,  
 In the ground, in the ground.  
 See the little seed, in the ground;  
 Some day it's gonna grow up.  
 And it'll be a great big flower,  
 A flower, a flower.  
 It'll be a great big flower,  
 Swaying in the wind.

Going side to side, and side to side, and side to side, and stop!  
 Going side to side, and side to side, and side to side, and stop!

All Sing A Song songs and activities develop various areas of age-appropriate skills, including language development, gross motor skills, fine motor skills, creative thinking, listening skills, social interaction skills, self-expression, imaginary play, autonomy and self-esteem.
